The Rocky Mountain Board of Ordained Ministry has established minimum continuing education standards for every full and associate member of the Annual Conference: 2 CEU's (20 contact hours) each year and/or a minimum of 10 CEU's (100 contact hours) per quadrennium.

This survey and information form helps us be accountable to one another and also helps the Board know how to begin to meet the continuing education needs of the clergy. All information will be collated and studied by the Board.

Since we have a broad variety of opportunities for continuing education in ministry and spiritual growth, we ask that you provide answers for all questions that apply to you.
