1. CLERGY MATTERS

1.1. Minimum and Equitable Compensation Annual Recommendations (2014 Petition AC03)

The Rocky Mountain Annual Conference defines the following compensation terms:

1.1.1. **Minimum Base Compensation (MBC)** is the specific amount of cash salary, housing, benefits and reimbursable expense amounts set by annual petition for all clergy (Elders, Deacons, Associate Members and Local Pastors) who are in good standing and appointed to full-time service according to the provisions of the current Book of Discipline.

Effective January 1, 2015, this will be:

1.1.2. **Cash salary** of $34,973, which is 59% of the 2015 Conference Average Compensation (CAC) of $59,277. This is the same percentage of the CAC as in previous years. For clergy who are in good standing and appointed to less than full-time service in the local church, the (MBC) shall be adjusted in one-quarter increments as follows: 3/4 time=$26,229, MBC, 1/2 time=$17,486, 1/4 time=$8,743.

1.1.3. **Housing** is provided either by a parsonage or a cash housing allowance that allows the clergy to obtain housing in their community that meets conference parsonage standards. In 2015, depending upon the location, the allowance is suggested to be an annual amount of no less than $10,636 for a full time appointment. For those communities where housing equivalent to conference parsonage standards costs less than $10,636 per year, it is suggested that the annual amount be no less than $10,636 for a full-time appointment.

1.1.4. **Benefits** are established by other annual conference petitions and by the current Book of Discipline and include health insurance, CRSP pension funding, UMPIP pension funding, and CPP death and disability funding.

1.1.5. **Reimbursable expenses** are those expenditures made by the clergy in the fulfillment of their responsibilities that are allowed, by IRS regulations, to be reimbursed as business expenses. These include travel (including to Annual Conference), continuing education, books and periodicals, and meeting expenses. These amounts should be agreed upon by the local church and the clergy. For full-time appointments, it is recommended that this amount be set at an annual minimum of $2,500. In addition, we define Equitable Compensation as the Minimum Base Compensation plus a consideration of the following factors:

- Experience and years of service
- Cost of living in the community
- Years of education
- Work load
- Attainment of goals agreed upon by clergy and the SPR/PPR Committee
- Each clergy's housing equity goals

1.1.6. **Redistribution within the compensation package** – Because it affects both the Conference and the Denominations Average Compensation, as well as the pastor's pension funding, no more than 20% of the pastor's cash salary can be moved from taxable salary to tax-exempt reimbursable expenses.

1.1.7. **Equitable Compensation Fund** is the amount budgeted in the Conference annual budget for emergency supplementation of clergy salaries in churches or charges that are unable to provide minimum compensation. As defined in ¶342, ¶624, and ¶625, this fund, and any disbursements from it, is overseen by the Commission on Equitable Compensation.

1.1.8. **Student Local Pastors** – Student local pastors as defined in ¶318.3 of the 2012 Book of Discipline under appointment are to receive base compensation, prorated for less than full time work as agreed between the local church, the student pastor, and the district superintendent. Professional expenses of the student or the actual costs incurred while working at the church are recommended to be reimbursed by voucher. For travel expenses student pastors are to be reimbursed by voucher at the 2015 IRS Business Rate.

1.1.9. **Vacation** – Vacation - Pastors should be provided with four (4) weeks vacation every year. Churches are encouraged to discuss vacations with their pastor(s), particularly during the first year of reappointment.

1.1.10. **Study Leave/Sabbatical**

1.1.10.1. Full time pastors, to continue their education, should be allowed study leave of at least one week each year and at least one month each quadrennium (¶351.2, 2012 Book of Discipline). Such study leave shall not be considered vacation.

1.1.10.2. Full-time pastors (after 6 [six] years of full-time appointment) be allowed up to 6 [six] months formation and spiritual growth leave. (2012 Book of Discipline ¶351.3 and ¶352)

1.1.11. **Sick Leave** The policy for clergy sick leave is at the discretion of the local church in consultation with the District
1.1.12. **Family Leave** – Pastors should be allowed up to a maximum of eight weeks of paid family leave. Such leave shall comply with the guidelines established in ¶354 of the 2012 Book of Discipline.

Each annual budget shall include an amount that is to be used for the purpose of pulpit and pastoral supply during family leave situations. During family leave, the local church is responsible for continuing all clergy compensation, and the conference is responsible for the pulpit/pastoral supply costs. The cabinet shall direct the use of these funds and normally, such assistance will provide only partial funding of the total costs that may be involved. For 2015, the 89 budgeted amount shall be $1,000.

1.1.13. **Maternity/Paternity Leave** – Pastors shall be allowed maternity/paternity leave in compliance with ¶356 of the 2012 Book of Discipline to be a minimum of eight weeks and not to exceed one-quarter of a year.

**Effective Date:** July 1, 2014  
**Termination Date:** June 30, 2017

1.2. **Parsonage Standards (2010 Petition AC 05)**

**Minimum Standards for Clergy Parsonages/Housing**

It is requested of the Annual Conference that minimum standards be set for clergy housing, and that appropriate guidelines be in place defining the relationship between the local charge and clergy regarding management of the parsonage, or, in charges where parsonages are not available, housing allowances.

1.2.1. **Minimum Standards for Clergy Parsonages/Housing**

A very important part of the clergy compensation package is that of housing. The Commission on Equitable Compensation recommends that every charge provide either a parsonage that meets the following minimum requirements, or a housing allowance that will enable the rental or purchase of a suitable equivalent, for full time and part time clergy staff, unless a special exception is negotiated with the local church and conference by the District Superintendent.

1.2.1.1. **Responsibility For Clergy Housing**

1.2.1.1.1. Ultimate responsibility for clergy housing lies with the Church Council. (¶252.4.e, 2012 Book of Discipline.)

1.2.1.1.2. The church council may delegate administrative responsibility for clergy housing to the committee on Pastor-Parish relations (or Pastor-Parish relations) or a pastoral advisory committee. (¶258.2.16, 2012 Book of Discipline.)

1.2.1.1.3. If a housing allowance is provided, it should be reviewed annually by the Pastor-Parish Committee and provision made for an adequate allowance equal to a fair rental value for providing suitable housing and utilities in a specific geographical area. Additional guidelines for use in determining fair housing allowances are found in the annual petition entitled “Clergy Minimum and Equitable Compensation.”

1.2.1.1.4. Any housing provided by the church for clergy use, or housing that is owned by the church for past or future clergy use, shall, for the purposes of this document, be considered to be a parsonage.

1.2.1.1.5. If a Parsonage Committee is established, membership may be appointed by the church council or be nominated by the Committee on Lay Leadership and elected by the charge conference. Rotation of members is advised.

1.2.1.1.6. If a Parsonage Committee is established, it is recommended that its membership be:

- one trustee (selected by the Board of Trustees),
- one member from the Pastor-Parish Relations Committee,
- three members at large,
- the pastor’s spouse, and
- the Pastor.

Where there is more than one church on a charge, then the members at large and the Pastor-Parish Relations Committee and Trustees representation should reflect members from each of the churches.

1.2.1.1.7. The Parsonage Committee should meet at least twice a year and shall report to the charge conference on the forms provided by the annual conference.

1.2.1.1.8. Responsibilities of the Parsonage Committee shall include:

1.2.1.1.8.1. Cooperate with the Pastor-Parish Relations Committee in sensitizing the congregation to the fact that the parsonage is a part of the clergy compensation and should be considered as the private home of the parsonage family.
1.2.1.8.2. Follow the Parsonage Maintenance guidelines for a yearly checklist. (See section I, part C)

1.2.1.8.3. Follow the Parsonage Maintenance guidelines “When There Is a Change in Pastors” (See section II, part B)

1.2.1.8.4. Assure that all budget requests pertaining to the parsonage are submitted to the Finance Committee for recommendation to the church council.

1.2.1.8.5. In the absence of a Parsonage Committee, the duties and functions described in the “Clergy Housing Policies and Standards” guidelines shall belong to the Pastor-Parish Relations Committee.

1.2.2. Minimum Parsonage/Housing Standards

If a parsonage is provided, it should be an adequate, comfortable and structurally sound home for the pastor and family built according to local building codes.

1.2.2.1. Recommendations Relating to Parsonage Structure and Utilities

Please note that the Office of Architecture of the Board of Global Ministries, 475 Riverside Drive, New York, NY 10115 has recommended parsonage planning guides.

1.2.2.1.1. Location:

1.2.2.1.1.1. Consider these questions when choosing the parsonage location:

1.2.2.1.1.1.1. Is, or will the location be conducive to good living on the part of the parsonage family and equivalent to the average family home of the area?

1.2.2.1.1.1.2. Is, or will the location be in convenient relationship to shopping areas, schools, recreation and in an area conducive to property value appreciation?

1.2.2.1.1.2. Location should not be such as to conceivably be a hindrance to future growth of the church plant and should be convenient to the ministry community which the church serves.

1.2.2.1.1.2.1. While some parsonages are located next door to the church, the goal of the church should be to insure the privacy of the parsonage family. If there is to be a change in the parsonage location, it should be located away from the church and church property.

1.2.2.1.2. House/Parsonage Arrangement

1.2.2.1.2.1. Bedrooms: There should be a minimum of three bedrooms each of adequate size and allowing for privacy.

1.2.2.1.2.2. Closets: Adequate closet space should be provided.

1.2.2.1.2.3. Bathrooms: One and three fourths bathrooms are considered essential.

1.2.2.1.2.4. Study: A pastor’s study (in addition to the three bedrooms) is desirable. The pastor’s study in the parsonage is not to be utilized for counseling, nor is it to take the place of an office in the church or in some other facility outside the parsonage. It is desirable that the study be located so that it can be protected from family and kitchen noises.

1.2.2.1.2.5. Kitchen and laundry space: There should be adequate kitchen and laundry space. There should be adequate electrical outlets.

1.2.2.1.2.6. Living area: The parsonage is to be considered as home for the pastor and his or her family. A living room should be large enough so that entertaining or dining is possible. Where possible, there should be an area where the family can “be at ease” whether it is a kitchen family room, a den, or a recreation room.

1.2.2.1.2.7. Closets and storage: Considering the fact that pastors acquire equipment and personal possessions not always usable in the present appointment and the possession of equipment not normally found in the average home, the need of average or more than average closet and storage space is recommended.
1.2.1.2.8. Heating and cooling: Adequate provision for these should be made in relationship to the area and the climate. Adequate insulation and storm windows should be installed where required for energy conservation. The water heater should have a capacity of at least 50 gallons.

1.2.1.2.9. Home grounds:

1.2.1.2.9.1. All permanent planting should be the responsibility of the church and planned by a landscape architect whenever possible.

1.2.1.2.9.2. Landscaping and exterior care of the parsonage should be such as to be a credit to the church in the community (Section II A #8 & 9).

1.2.1.2.9.3. An outdoor patio area and recreational space are useful additions.

1.2.1.2.10. Miscellaneous:

1.2.1.2.10.1. Adequate shelter sufficient to house two cars should be provided. Minimum requirement is a garage suitable to house one car.

1.2.1.2.10.2. Because the need for a type of TV antenna or basic cable varies with location, it is suggested that the church provide an adequate antenna or basic cable for the area.

1.2.1.2.10.3. One telephone should be provided with jacks installed for additional phones in the master bedroom, study, family room or where most convenient.

1.2.1.2.10.4. DSL or cable internet should be provided; if wireless access is not provided, at least one jack should be available in the room to be used as a pastor’s study. If DSL or cable internet access cannot be provided, a second, dedicated phone line should be provided for internet access.

1.2.1.2.10.5. Smoke alarms, fire extinguishers and safety ladders should be present.

1.2.1.2.10.6. Trash cans (at least four 30 gallon cans with covers), garden hoses and sprinklers as necessary, and a ladder should be provided.

1.2.1.2.10.7. Consideration should be given to the requirements of ¶2544 of The Book of Discipline 2012 regarding disability access.

1.2.1.2.2. Recommendations Regarding Parsonage Furnishings and Equipment

1.2.1.2.2.1. It shall be the responsibility of the local church to furnish the parsonage with basic furnishings as listed below of good quality and to maintain them in good condition or replace when necessary. It is recommended that all furniture for the parsonage be purchased new.

1.2.1.2.2.1.1. Bedrooms: The church shall provide rugs or carpets and window coverings. Furnishings for all bedrooms shall be the responsibility of the parsonage family.

1.2.1.2.2.1.2. Study: The church shall provide carpets and draperies. It is recommended that the study include the following: desk, comfortable chair, filing cabinet, telephone, bookshelves, and typewriter, word processor, or computer. The room should have adequate light and storage.

1.2.1.2.2.1.3. Kitchen and laundry: The church shall provide range and oven, refrigerator/freezer, automatic washing machine and dryer, dishwasher, sink with garbage disposal where possible and water conditioner where needed or required.

1.2.1.2.2.1.4. Carbon monoxide detectors should be present and there should be grounded wiring throughout the parsonage, with ground fault protectors in the bathrooms.

1.2.1.2.2.2. The local church’s budget should include funds for updating and replacing furnishings as necessary.

1.2.1.2.2.3. Where the church provides mutually acceptable furnishings as outlined above, but the pastor prefers to use his or her own, the pastor shall arrange for the storage of the parsonage furniture in cooperation with the Parsonage Committee or Pastor-Parish Relations Committee or (equivalent).

1.2.1.2.3. Joint Responsibilities

1.2.1.2.3.1. It should be remembered that a home expresses character and that the condition of the parsonage reflects on the relations of the clergy family and the church. Happy is the pastor who can be proud of his/her church for the kind of parsonage provided for them as good stewards. The church is encouraged to choose neutral colors for drapes, carpeting, furnishings, and so on when considering the decor of the parsonage. The tastes of the parsonage family should also be
considered in choosing colors, furnishings and appliances.

1.2.1.3.2. Clergy and families living in a church owned parsonage are expected to maintain the parsonage in conditions of reasonable cleanliness and repair avoiding the necessity of extensive cleaning or repair upon the change of pastors.

1.2.1.4. Options:

While the Commission on Equitable Compensation advocates these parsonage guidelines as outlined above, we recognize the need for options in specific situations as mutually agreed upon by the pastor and the Parsonage Committee or Pastor-Parish Relations Committee or (equivalent), in consultation with the district superintendent.

1.2.1.3. Parsonage Maintenance Guidelines

1.2.1.3.1. On an annual basis, the Parsonage Committee or Pastor-Parish Relations Committee or (equivalent) will cooperate with the Pastor-Parish Relations Committee in the annual review of the parsonage as required by ¶2533.4 of the 2012 Book of Discipline. This review should include an inventory of church-owned furnishings and other items.

1.2.1.3.2. The Parsonage Committee or Pastor-Parish Relations Committee or (equivalent) should proactively replace furniture, appliances, curtains, carpets, etc., when they can see it is needed rather than the family having to ask. However, the family should ask if this is not done. When such items are to be replaced, the parsonage family should make selections in consultation with appropriate leadership from the local church.

1.2.1.3.3. An inventory of furniture and appliances with original cost and expected life span should be maintained. An item in the church budget should provide funds each year on an accumulating basis to replace items as they are worn out.

1.2.1.3.4. Emergency maintenance and repairs: An emergency fund (suggested minimum of $100) should be available as an amount that could be spent without consultation with the committee in order to allow the parsonage family to deal with repairs.

1.2.1.3.5. The exterior of the house should be inspected to see that it is properly maintained (paint, roof, etc.) in order to avoid costly repairs. Exterior painting, repairs, and roof maintenance should be the responsibility of the church.

1.2.1.3.6. The parsonage should have a periodic termite and pest control inspection. Corrective measures should then be taken.

1.2.1.3.7. The church should have the heating and cooling systems checked seasonally.

1.2.1.3.8. Major renovation, repair, and replacements should be done by the church as they are needed, taking into consideration the church’s financial ability to do these things. (The pastor, not the church, shall be responsible for correcting extreme or unusual damage beyond normal wear and tear to the parsonage and furnishings.) Changes in interior decoration should be done with the mutual consent of the church and the family.

1.2.1.3.9. It is recommended either that basic lawn maintenance (including mowing, edging, fertilizing, and sprinkler system) be taken care of or paid by the church or that the church provide, maintain, and repair a power lawn mower and other tools required to maintain the grounds with ease.

1.2.1.3.10. For the safety of the parsonage, property and the parsonage family, the church should carefully evaluate the overall security of the building and grounds. Attention should be given to screens, window and door locks, gates, and alarm systems. This should also include fire prevention measures such as smoke alarms, fire extinguishers, escape ladders and a fire escape plan. When possible, an annual inspection should be made by the fire department and utility companies.

1.2.2. When There is a Change in Pastoral Appointment

1.2.2.1. Cleaning and Inspection

1.2.2.1.1. The parsonage should be thoroughly cleaned when there is a change in pastor. The exterior of the parsonage and the grounds should be clean and present a good appearance. Walls, carpets, draperies, and floors should be clean and in good repair. Refrigerator, cook top, oven, disposal, dishwasher, washer, dryer, air conditioner, heater, water heater (50 gallon minimum), smoke alarms,
fire extinguishers, TV antenna or cable, garden hoses, ladder, and trash cans where needed (minimum of four 30 gallon cans with covers) should all be in proper order. A thorough inspection of plumbing and electrical placements is also recommended. If requested by the new pastor, locks should be changed and new keys issued. A termite and pest control inspection is recommended, as well as necessary corrective treatment. The church has final responsibility to see that these tasks are adequately accomplished.

1.2.2.1.2. When a pastor moves out of a parsonage, the Board of Trustees, upon recommendation of the chairperson of the SPIPR, may elect to withhold the pastor’s final check, for a period not to exceed 10 days, and deduct from that paycheck (1) the cost of necessary repairs and replacement for any breakage or damage which exceeds normal wear and tear or (2) the cost of cleaning, if the parsonage is not left “broom clean” and ready for the next occupant. The amount of the paycheck exceeding those costs shall be sent to the pastor within 10 days of his/her last day of appointment to the church. At the same time, the church shall provide, to the pastor and the pastor’s district superintendent, a detailed accounting of the use of the funds. In the event there is a dispute between the pastor and the church concerning the amount needed for repairs, breakage, or cleaning, the district superintendent or a third party, agreed upon by both the church and the pastor, shall mediate the dispute. The decision of the district superintendent or the mediator shall be final.

1.2.2.1.3. The following suggestions are for creating a “Guide” to be completed by the Parsonage Committee or Pastor-Parish Relations Committee or (equivalent) and given to the parsonage family when it moves into its new home.

1.2.2.1.3.1. An up-to-date inventory of all parsonage furnishings including, if possible, the date purchased, cost, present condition, and a projected replacement time.

1.2.2.1.3.2. For each appliance:

1.2.2.1.3.2.1. Operating instructions or manuals, etc.

1.2.2.1.3.2.2. Repair instructions, service personnel to call, and which, if any, parsonage committee member to call.

1.2.2.1.3.2.3. Service calls and repairs of major appliances owned by the church should be paid for by the church.

1.2.2.1.3.3. Where to find:

1.2.2.1.3.3.1. Turn off valve for gas

1.2.2.1.3.3.2. Turn off valves for outside and inside water

1.2.2.1.3.3.3. Meters

1.2.2.1.3.3.4. Fuse or switch boxes, circuit breakers, and main switch all properly labeled

1.2.2.1.3.4. Size and change intervals for heating and cooling filters

1.2.2.1.3.5. Various permanent plants which are seasonal

1.2.2.1.3.6. Any unusual appliances, equipment, or household peculiarities (such as hidden attic door)

1.2.2.1.3.7. Sprinkler systems

1.2.2.1.3.8. Sewer clean outs

1.2.2.1.3.9. Numbers to call in emergencies: Police, Fire, Ambulance, Insurance Company, etc.

1.2.2.1.3.10. Basic information for cleaning carpets and draperies. The local church is to establish the desired policy. For example: The church is responsible for a once a year cleaning to be determined by committee upon recommendation from the parsonage family. It may be simpler for a policy to be established that carpets and drapes be cleaned annually without the recommendation of the family but with the committee selecting the cleaning company and the church paying the bill.

1.2.2.1.3.11. It may be helpful, upon the arrival of a new parsonage family, for a member of the committee to conduct a tour of the parsonage, and point out that the committee is aware of certain needs.
(furniture that is wearing out, painting that is needed, etc.) and also point out the good maintenance that has been done in the past. This conveys to the parsonage family that the church is proud of their home and wants them comfortable, but might also convey that the church expects something from the parsonage family in maintaining the parsonage. The parsonage family should also be reminded to treat the parsonage as if it were their own home.

1.2.2.1.3.12. When it is possible, the parsonage should be open for visitation by the newly appointed clergy family prior to the effective date of appointment. If this is not possible, pictures of the parsonage (outside and inside) could be taken when a change is expected, and those pictures might be taken or sent to the new family ahead of moving time, providing added rapport between the church and the new parsonage family.

1.2.2.2. When the Parsonage is to be Rented Out or Left Vacant

1.2.2.2.1. When the parsonage is to be rented out, a written lease shall be drawn between the church and the renter (lessee). The lease shall include:

1.2.2.2.1.1. Duration of the lease
1.2.2.2.1.2. Monthly rent amount
1.2.2.2.1.3. Rental deposit
1.2.2.2.1.4. Rental value of the parsonage
1.2.2.2.1.5. Designation of responsibility for utilities if the parsonage is to be left vacant

1.2.2.2.1.2. Parsonage maintenance during the vacancy will need to be considered.

1.2.2.2.1.3. The above standards for cleaning and inspection will apply for the arrival of a new pastor.

1.2.3. Energy Conservation

1.2.3.1. The church and parsonage family should make every effort possible to conserve energy. This should include:

1.2.3.1.1. Inviting utility companies (gas, electric, and water) to inspect, provide an energy audit, and make recommendations
1.2.3.1.2. More efficient lighting
1.2.3.1.3. Insulation in attic and walls
1.2.3.1.4. Weather stripping
1.2.3.1.5. Investigating possible use of solar energy or other energy saving devices
1.2.3.1.6. Water-saving devices

1.2.4. Parsonage Utilities

1.2.4.1. The local church shall provide utilities: water, electricity, gas and basic telephone (not including personal toll calls), sewage fee, trash and garbage collection, internet and cable and/or antenna where required for TV reception.

1.2.4.2. Those congregations with church owned rented homes should take into account the actual cost of the above mentioned utilities when providing a housing allowance.

1.2.4.3. Parsonage families should be conscious of the high cost of utilities and should practice cost and energy saving measures at all times. This should include regular self-monitoring, analysis, and comparing against previous usage.

1.2.5. Recommendations for Parsonage Insurance

1.2.5.1. Insurance on real and personal property is the responsibility of the owner of that property and should be provided with adequate liability coverage.
1.2.5.2. Insurance should be reviewed annually and when there is a change of pastor(s).

1.2.5.3. It is recommended that a renter’s insurance policy be obtained by the parsonage family residing in the parsonage to insure the parsonage family’s personal property, including clergy library.

EFFECTIVE DATE: July 1, 2013
TERMINATION DATE: June 30, 2015

1.3. Council on Finance & Administration Moving Expense Reimbursement Policy (2013 Petition AC02)

1.3.1. Within Conference Moving Expenses

Itinerant clergy members (in full connection, probationers, or local pastors) of the annual conference serving as fully appointed pastors or appointed conference staff, shall be entitled to the provision of the fund on the following basis:

1.3.1.1. Allowed:

1.3.1.1.1. Moving of furniture, personal property, and equipment not to exceed 16,000 pounds. This same allowance for clergy couples will not exceed 20,000 pounds. Cost of insurance at the regular rate of $5.00 per pound (with a $250.00 deductible) is included. Any change of deductible will be at the expense of the pastor making the move. However, a lump sum value for the entire shipment must be included at the time of shipment. 3.2. Conference Mission and Ministry Funding (2011 Petition AC03)

Summary of Changes from Prior Year Impacting this Standing Rule & Operating Procedure – Clarified definitions: 1) Changed “Direct Costs of Fundraising” to “Cost of Goods Sold for Fundraising” 2) Added “Distributions from Endowment Funds” to Gross Revenue.

Mission and Ministry of the Rocky Mountain Conference and The United Methodist Church depend entirely on the generous giving by local churches. As Christians, our giving is an expression of our faith and commitment to God.

“Church Tithe” plus “Mission Offering” is proposed as the means for local church support for the Mission and Ministry of the Annual Conference and the General Church. The intent in using this method is to maintain clarity and transparency in how, where and for what purpose funds are being used, and to continue to build a closer connection between local churches, the Conference and the General Church.

3.2.1. The 2015 Rocky Mountain Conference Budget as adopted by the Annual Conference shall be apportioned to the churches of the Annual Conference in accordance with ¶613 and ¶615 of The Book of Discipline of The United Methodist Church, 2012.
The apportioning of the 2015 Rocky Mountain Conference Budget will be based upon the Church Tithe plus Mission Offering. The method is described below.

**Church Tithe Plus Mission Offering**

The Church Tithe plus Mission Offering funding for annual Rocky Mountain Conference budgets during the 2013-2016 quadrennium shall be a percentage of local church Adjusted Gross Revenue. The Tithe plus Mission Offering percentage will be determined annually by the Conference Council on Finance and Administration.

For 2015 the Church Tithe plus Mission Offering for a local church is 13% of Adjusted Gross Revenue, the same as 2014. To continually improve equity in the practice of applying the rules in this petition all churches need to comply by fully reporting Gross Revenue and the allowable exclusions monthly.

Adjusted Gross Revenue is local church Gross Revenue less the following exclusions:
- Capital campaign income;
- Endowment donations;
- Tuition received for services;
- Costs of goods sold for fund-raising;
- Funds restricted by donors to be passed through to other charitable organizations;
- Grants received from an organization of The United Methodist connection or approved by the Conference Treasurer.

Special circumstances that a local church believes should result in an exclusion from Gross Revenue may be requested to be reviewed for decision by the Conference Treasurer. Definitions of the items to be excluded are provided in the Definitions section of this petition.

**Definitions for Purposes of this Petition**

**Gross Revenue** is ALL revenue received by the local church: offerings, donations, fees, rents, bequests, distributions from endowment funds, memorials, pledges, and tithe payments, whether by cash, credit card, check, stock, or transfer of assets.

**Adjusted Gross Revenue** is Gross Revenue less capital campaign income, endowment donations, funds restricted by donors to be passed through to other charitable organizations, tuition received for services, costs of goods sold for fund-raising, and grants received from an organization of the United Methodist connection. Adjusted Gross Revenue is the basis for calculating Church Tithe plus Mission Offering.

**Church Tithe plus Mission Offering** is thirteen percent (13%) of Adjusted Gross Revenue for a local church.

**Capital Campaign Income** is money received from campaigns that are defined as significant, short-term fund-raising efforts for a stated project, such as a building, debt retirement, or special project with a useful life of at least ten years.

Such campaigns usually have a campaign committee and may employ a professional fundraiser. The campaign normally lasts for a short time, however the donations to the campaign typically span a period of three to five years.

Costs of such a campaign including professional fundraiser expenses do not qualify for a “Costs or Goods Sold for Fund Raising” deduction since the revenue from the Stated Capital Campaign is already deductible from Gross Revenue.

**Endowment Donations** are donations by persons that are intended to become a part of an Endowment Fund. Such donations are often in the form of a bequest or memorial or may be a gift from an individual or an estate. An Endowment is a gift which should never be spent. It is designed to be invested and produce earnings. A contribution to an Endowment Fund should be included in Gross Revenue and then deducted as an Endowment Donation. Note: When distributions from the earnings on the Endowment Fund are given to the church, the amount received by the church is to be included in Gross Revenue and is subject to Tithe plus Mission Offering.

**Restricted Pass-through or Donations** are non-operating funds that donors have restricted for transfer to charitable organizations outside the local church. The church collects these donations and then forwards them to the recipient charitable organization. Such donor-restricted donations are not under the control of, or use by, the local church and are not to be included in the basis for the Church Tithe plus Mission Offering.

**Tuition Received for Services** are payments made to the church for services provided at the church such as pre-school, child care, elder care, or other similar services. Normally such services are budgeted separately, usually by a non-profit organization affiliated with the church.

**Costs of Goods Sold for Fund-Raising** are those costs paid to purchase items sold to raise funds for the church through a special project or event. Typical examples include the discounted purchase and resale at face value of gift cards or the cost of food and supplies for a fund-raising dinner. Costs of Goods Sold for Fund-Raising are deducted from gross funds.
received as a result of the fund raising activity and only the net proceeds should be used in calculating the Church Tithe plus Mission Offering. For example, if 10 gift cards are sold for $1,000 and had a purchase price of $950, then $1,000 would be included in Gross Revenue and $950 would be deducted as a Costs of Goods Sold for Fund Raising.

Grants received from an organization of the United Methodist connection such as a New Church Development Grant from the Rocky Mountain Conference may be deducted from Gross Revenue.

EFFECTIVE DATE: January 1, 2015
TERMINATION DATE: December 31, 2015

3.3. New Church Tithe Formula (2010 Petition AC11)

The Rocky Mountain Annual Conference of the United Methodist Church agrees that the Tithe Plus Mission formula for newly chartered churches should be phased in as follows:

Newly chartered churches will be granted a five-year period to step up to full Tithe Plus Mission as follows:

Year 1 – 2% as approved by Annual Conference
Year 2 – 4% as approved by Annual Conference
Year 3 – 6% as approved by Annual Conference
Year 4 – 8% as approved by Annual Conference
Year 5 – 10% as approved by Annual Conference
Year 6 - Full Tithe Plus Mission as approved by Annual Conference

The Tithe Plus Mission will be based on the guidance provided annually by the Annual Conference. If the newly chartered church meets the above described level of support, they will be considered to have met their Tithe Plus Mission commitment for that year.

4. CONFERENCE INSURANCE PROGRAMS

4.1. Conference-Wide Property and Liability Insurance Plan

4.1.1. A Conference-wide property and liability insurance plan is established for Conference entities including, but not limited to, local churches, parsonages, Episcopal residence, camps, and other church/conference owned and insured properties.

4.1.2. All Conference entities are required to be in the plan with the exception of those whose present policies provide equivalent coverage and would require additional cost if canceled. Unless otherwise approved by the Conference Board of Trustees, these churches will be required to enroll in the plan upon the conversion date of their present policy, provided the Conference will assure equal or increased coverage at comparable cost under the Conference plan.

4.1.3. One master plan exists for all entities covered by this policy with each entity having the opportunity to include requirements for special coverage. Each entity is evaluated as to the present value of its property. Property coverage is based on full replacement costs. Liability coverage establishes minimum coverage applicable to all Conference entities.

4.1.4. Each entity will be billed by the Conference for the premium due for their specific coverage. Premiums may be paid monthly, quarterly or semi-annually by the enrolled entities. The Conference will pay one premium for the master policy to the insurance carrier.

4.1.5. The Conference Board of Trustees is authorized to select the specific carrier, negotiate Conference-wide coverage and coverage standards and take all other necessary steps to implement and maintain a Conference-wide plan. The Conference will regularly notify the insured entities of the selection and details of the plan. Risk management practices will be included in the plan.

5.2. Rocky Mountain Annual Conference 2015 Comprehensive Benefit Funding Plan

The 2012 Book of Discipline ¶ 1506.6 requires that each annual conference develop, adopt and implement a formal comprehensive plan for funding all of its benefit obligations. The funding plan shall be submitted annually to the General Board of Pension and Health Benefits for review and be approved annually by the annual conference, following the receipt and inclusion of a favorable written opinion from the General Board of Pension and Health Benefits (GBOPHB). This summary document is only a portion of the information contained in the actual signed funding plan. You may request the full contents of the 2015 Comprehensive Benefit Funding Plan from the Rocky Mountain Conference Treasurer and Benefits Officer.

The Rocky Mountain annual conference has the following benefit obligations:
Clergy Retirement Security Program (CRSP) - Defined Benefit and Defined Contribution

Plan Overview: The Clergy Retirement Security Program (CRSP) is an Internal Revenue Code section 403(b) retirement program providing lifetime income and account flexibility for those who serve as clergy of The United Methodist Church. The plan is designed to provide participants with one portion of their overall retirement portfolio. CRSP replaced the Ministerial Pension Plan (MPP) effective January 1, 2007. MPP had replaced the Pre-82 Plan for service rendered prior to January 1, 1982.

CRSP consists of both a defined benefit (DB) plan, which provides a monthly benefit at retirement based upon years of credited service to the Church, and a defined contribution (DC) plan, which provides a retirement account balance established and funded by annual conferences. The CRSP-DB annuities total liability as of January 1, 2013 is $923.7 million, while total plan assets are $978.5 million. This results in a current plan funded ratio of 106%. The Rocky Mountain Conference portion of the total liability is 1.11%, and our contribution due in 2015 is $1,113,929. The Conference will fund the amount due by direct billing each church or charge.

Additionally, General Conference 2012 approved a change to CRSP that provided each annual conference the discretion to determine whether to cover three-quarter and/or half-time clergy. The Rocky Mountain Conference elected to cover clergy serving 75%+ under CRSP effective January 1, 2014.

Also effective January 1, 2014, the CRSP-DC plan non-matching contribution was reduced from 3% to 2% of plan compensation. Clergy have the opportunity to earn up to an additional 1% CRSP-DC contribution by personally contributing at least 1% of their plan compensation to the United Methodist Personal Investment Plan (UMPIP). Therefore, if a clergyperson contributes at least 1% of plan compensation to UMPIP, the individual still receives a contribution of 3% from the church or charge. The 2013 CRSP-DC contribution was $381,700 and was funded by direct billing the church or charge. It is anticipated that contribution increases in future years will average 2%, due to increases in plan compensation.

Ministerial Pension Plan (MPP)

Plan Overview: The Ministerial Pension Plan (MPP) provides clergy with a pension for their years of ministry with The United Methodist Church from 1982 through 2006. MPP is an Internal Revenue Code section 403(b) retirement plan. Effective January 1, 2014, exactly 65% of the account balance must be annuitized when it is to be distributed. The remainder may be rolled over to UMPIP, another qualified plan or Individual Retirement Account (IRA), or paid in a lump sum.

The MPP annuities total liability as of January 1, 2013 is $2.7 billion, while total plan assets are $3.0 billion. This results in a current plan funded ratio of 109%. There is no required contribution for 2015. The Rocky Mountain Conference’s portion of the total liability is 1.11%. Future MPP annuitants have a total account balance of $4.4 billion and the Rocky Mountain Conference’s portion of that balance is $34.6 million, or .79% of the total.

Pre-1982 Plan

Plan Overview: Supplement One to the Clergy Retirement Security Program (CRSP), also known as the Pre-82 Plan, provides clergy with a pension for their years of ministry with The United Methodist Church prior to 1982. The Pre-82 Plan was replaced by MPP effective January 1, 1982. When participants enter a Retired relationship with the Conference and do not terminate, the minimum benefit payable to them is based on two factors: 1) years of service with pension credit and 2) Conference pension rate. Years of service with pension credit are approved by each Conference on the recommendation of the Conference Board of Pension and Health Benefits in accordance with plan provisions and The Book of Discipline. The pension rate, also called the past service rate (PSR), is the dollar amount chosen by the Conference as the amount payable for each approved year of service with pension credit. Typically, the PSR changes from year to year. The number of years of service with pension credit is multiplied by the PSR, and the

In certain situations the benefit received by clergy from the Pre-82 Plan varies based on the applicability of what is referred to as Defined Benefit Service Money (DBSM). DBSM is the defined contribution feature of the Pre-82 Plan. At the time that a participant retires, the DBSM account is converted to a life-based benefit. At that point the benefit the participant receives is the greater of the amount based on the PSR benefit or DBSM benefit. As the conference increases the PSR, the participant’s benefit based on the PSR is recalculated; however the DBSM-based benefit does not change.

The 2015 PSR recommended to the Rocky Mountain Annual Conference is $541, which represents a 3% increase from the 2014 rate. The conference expects future increases to be approximately 3%. Our goal is to be at 1% of Conference Average Compensation (CAC), and this past service rate represents .91% of the 2015 CAC. After we attain 1% of CAC we may change the projected future increases in the PSR, but we project 3% currently.

The contingent annuitant percentage is recommended to remain at the 70% level.

Based on the final actuarial valuations from the General Board of Pension and Health Benefits as of January 1, 2013 for 2015, the portion of the Pre-82 liability attributable to the Rocky Mountain Conference and funded status is as follows:

<table>
<thead>
<tr>
<th>Funding Plan Liability</th>
<th>$26,559,578</th>
</tr>
</thead>
<tbody>
<tr>
<td>Assets in the Plan</td>
<td>$32,474,498</td>
</tr>
</tbody>
</table>
Funded Status as of 12/31/2014 $6,771,991 representing a 122% funded ratio

The funded ratio is recalculated each year based on economic and demographic changes. These changes create the possibility that Pre-82 contributions may be required at a future date.

The Conference Board of Pension and Health Benefits does not intend to redirect Pre-82 surplus assets on 12/31/14.

Defined benefit plan liabilities (Pre-82, MPP and CRSP-DB) continue until the last benefit is paid to participants and their surviving spouses, irrespective of the funding level of the plan. That is, even if the assets in the plan are larger than the liabilities in the plan, the conference still has a liability (obligation) with the plan.

Active Health Benefit Program

Plan Overview: The Rocky Mountain Conference offers the HealthFlex insurance program to its active participants. During the year 2013, the total cost of the program was $2,381,754 and it was funded by direct billing the church or charge. The projected average increase for future years is expected to be 5% due to increasing health care costs.

Post-Retirement Medical Benefit Program (PRM)

Plan Overview: The Rocky Mountain Conference post-retirement medical program currently offered is through OneExchange, and a Health Reimbursement Account (HRA) is funded for each eligible retiree, spouse and surviving spouse. There are two HRA amounts. The HRA is funded at a higher amount for those with 20 or more years of pre-82 service.

In March 2014 Towers Watson completed an Accumulated Post-Retirement Benefit Obligation (APBO) calculation for our Post-Retirement Medical Program as of December 31, 2013. The APBO is the amount needed to fully fund this commitment to our retirees into the future. Towers Watson calculated the APBO under the assumption that HRA contributions increase 3% per year starting in 2015. With the exception of this HRA increase assumption and an updated discount rate of 4.75%, the calculation was based on the data, assumptions, methods, plan provisions and other information used in the actuarial valuation report for December 31, 2012.

The Conference has included $450,000 in its operating budget to cover anticipated annual post-retirement medical costs. In addition the Conference has approximately $2,542,000 in a fund at Wespath Investment Management designated for retiree healthcare. The Conference expects to use some funds from this retiree healthcare account as needed to supplement the funding from the annual operating budget. We plan to increase incrementally the assets in the retiree healthcare account to fund this obligation in the future. This will allow us to reduce the amount needed from the annual operating budget to fund retiree healthcare.

In summary, based on the most recent PRM valuation dated December 31, 2013, following is the funded position of the post-retirement medical benefit program:

<table>

Comprehensive Protection Plan (CPP)

Plan Overview: The Comprehensive Protection Plan (CPP) provides death, long-term disability and other welfare benefits for eligible clergy of The United Methodist Church and their families and is an Internal Revenue Code 414(e) "church plan" funded by plan sponsor insurance premiums. Generally, you are eligible to participate in CPP if your conference or salary-paying unit sponsors the plan and you satisfy the eligibility requirements which include full-time episcopal appointment and plan compensation equal to or greater than 60% of the Denominational Average Compensation or the Conference Average Compensation, whichever is less. The Rocky Mountain Annual Conference has elected to make participation mandatory for CPP-eligible clergy who are appointed at least 75%, while certain other eligible appointed clergy have optional participation under special arrangements.

Currently (for 2013) the Rocky Mountain Conference has a required contribution to the Comprehensive Protection Plan of $344,656, which is funded by direct billing the church or charge. The anticipated average increase in future years is expected to be 2% due to increases in plan compensation.

United Methodist Personal Investment Plan (UMPIP) for Lay and Clergy

Plan Overview: The United Methodist Personal Investment Plan (UMPIP) is an Internal Revenue Code section 403(b) defined contribution retirement savings plan for clergy and lay employees of The United Methodist Church and affiliated organizations. Participants may make before-tax and/or after-tax contributions through payroll deductions. Participant contributions, contributions the plan sponsor may make on the participants behalf, and investment earnings comprise the individual’s retirement account balance.
Eligible Conference office lay employees are encouraged to contribute personal funds toward their retirement through payroll deductions to the UMPIP. The Conference contribution includes both a 3% non-matching and an 8% conditional component. The estimated annual contribution for the Rocky Mountain Conference is anticipated to be $58,544 and is funded through the annual operating budget.

As of January 1, 2014 the Rocky Mountain Conference is sponsoring UMPIP for eligible clergy serving half-time and they receive a pension contribution of 14% of plan compensation. The 2014 contribution is anticipated to be $109,143 and is funded through direct billing the church or charge.

Other Conference Benefit Obligations to Clergy and Staff

Plan Overview: The Rocky Mountain Conference currently offers a UNUM Life Insurance benefit which is a 40% premium subsidy for older retired clergy. We no longer offer this benefit to retirees; this group is grandfathered in. The contribution for 2013 was $6,100 and it is funded from the annual operating budget. The Conference Board of Pension and Health Benefits could also access pension funds invested at Wespath Investment Management to subsidize this benefit. The anticipated average increase in future years is expected to be 5%. We expect premium increases as participants get older, offset by decreases in the number of covered clergy.

Plan Overview: The Rocky Mountain Conference currently offers a UNUM Life Insurance benefit for active and retired Conference lay staff. The contribution for 2013 was $3,800 with funding from the annual operating budget. The anticipated average increase in future years is expected to be 5% due to premium increases as participants get older.

Plan Overview: The Rocky Mountain Conference currently offers Accidental Death & Dismemberment insurance for active Conference clergy and lay staff. The contribution for 2013 was $480 with funding from the annual operating budget. The anticipated average increase in future years is expected to be 1% due to premium rate changes.

Plan Overview: The Rocky Mountain Conference currently offers HealthFlex for eligible Conference lay staff. The contribution for 2013 was $131,736 which is funded from the Conference annual budget. The anticipated average increase in future years is expected to be 5% due to trends in health care costs.

Plan Overview: The Rocky Mountain Conference currently offers a moving benefit for clergy after retirement. The contribution for 2013 was $35,000 which is funded from the Conference annual operating budget. The anticipated average increase in future years is expected to be 1% due to the number of retirees and increases in moving costs.

Conclusion

The 2015 Comprehensive Benefit Funding Plan and the Summary document above incorporate to the best of our understanding, the Rocky Mountain Conference’s obligations and funding requirements of the benefits provided to the Clergy and Laity of the Rocky Mountain Conference.

5.4. Health Insurance Programs and Funding (2014 Petition AC02)

5.4.1. Section I – Health Insurance Provider, Plan Sponsor, Plan Availability and Plan Eligibility

As Plan Sponsor, the Conference will provide and/or make health insurance programs available consistent with the 2012 Book of Discipline of The United Methodist Church, Paragraph 639.6 (Retiree Health Care Access) and Paragraph 639.7 (Group Health Care Plans). For 2015, this program will be provided through the HealthFlex health insurance plan for active clergy and lay staff. For retired clergy and their spouses, and retired lay staff, the program will be provided through OneExchange.

Plan availability, eligibility and participation for active clergy and lay staff are subject to the terms and conditions of the applicable documents for the coverage period, and are available from the Conference Treasurer and Benefits Officer or the General Board of Pension and Health Benefits. Coverage and plan participation information for retired clergy, spouses and lay staff is available from the individual plans selected by each participant.

Eligibility will be established by the General Board of Pension and Health Benefits and the Conference Board of Pension and Health Benefits for active clergy and lay staff. Eligibility for retired clergy and spouses, and for active and retired lay staff, will be established by the Conference Board of Pension and Health Benefits.

5.4.1.1. Active Clergy

5.4.1.1.1. HealthFlex shall be available for all clergy serving full-time in a Rocky Mountain Conference local church or in the Conference office or any other unit of the Conference which provides pension contributions to the Clergy Retirement Security Program (CRSP), with the exception of clergy described in 5.4.1.1.3.

5.4.1.1.2. HealthFlex shall be available for active clergy serving full-time who are Medicare-eligible but do not qualify under the Multiple Small Employer Exception (serving a church with 20 or more employees).

5.4.1.1.3. OneExchange shall be available for active clergy serving full-time who are Medicare-eligible and qualify under the Multiple Small Employer Exception (serving a church with 19 or less employees).

5.4.1.2. Retired Clergy

5.4.1.2.1. OneExchange shall be available for all retired clergy and spouses meeting the qualification guidelines established by the Conference.

5.4.1.2.2. Clergy must be Medicare-eligible and have been in the active plan for five consecutive years in the Rocky Mountain Conference or Yellowstone Conference immediately prior to their retirement to be eligible to participate in the OneExchange plan sponsored by the Rocky Mountain Conference. An exception shall be made for clergy who retire prior to the age of Medicare-eligibility and elect to have qualified group plan coverage or coverage through a private plan outside of the Conference. Other exceptions may be requested for consideration and approval by the Conference Board of Pension and Health Benefits. Retirees who have been granted exceptions and who are not enrolled in HealthFlex when they attain the age of Medicare-eligibility shall be offered a one-time opt-in privilege 30 days prior to attaining the age of Medicare-eligibility. If this opt-in privilege is not exercised at least 30 days prior to attaining the age of Medicare-eligibility by contacting the Conference Benefits office, the retiree is not eligible to participate in the OneExchange plan.

5.4.1.2.3. Clergy who have opted out of Social Security will need to be enrolled in both Medicare Parts A and B to be eligible to participate in the OneExchange plan.

5.4.1.3. Clergy on Medical Leave

HealthFlex shall be available for clergy on Medical Leave and receiving disability benefits from the General Board of Pension and Health Benefits, until such time as the clergy becomes Medicare-eligible. When these clergy become Medicare-eligible, the OneExchange plan shall be available for them.

5.4.1.4. Lay Employees

HealthFlex shall be available for all eligible full-time lay employees of the Rocky Mountain Conference meeting the qualification guidelines established by the Conference. OneExchange shall be available for all eligible retired lay staff. Lay employees must have been in the HealthFlex plan for five consecutive years immediately prior to their retirement to be eligible to participate in the OneExchange plan.

5.4.2. Section II - Plan Participation, Coverage, Costs and Conditions
5.4.2.1. **Active Participants**

5.4.2.1.1. Every charge in the Conference shall be direct-billed monthly for the insurance cost for single coverage for every elder, deacon in full connection, local pastor, associate member, or provisional member appointed full-time serving that charge and eligible for HealthFlex, regardless of participation. The cost includes vision and dental coverage.

5.4.2.1.2. Less than full-time clergy are not eligible to enroll in the HealthFlex plan; however the local church may choose to provide other coverage for its ¾ time and ½ time appointed clergy. For ¾ time and ½ time appointments the local church, working with its respective District Superintendent, may contribute up to $4,000 annually to provide health insurance coverage outside of HealthFlex. Costs for this coverage will be borne totally by the local church and/or appointed pastor. This is in addition to the minimum salary, housing, pension and allowable professional reimbursable amounts for pastors serving less than full-time. As of January 1, 2014 per the Affordable Care Act, funding provided by employers to assist employees in purchasing individual health insurance is considered taxable compensation.

5.4.2.1.3. Each charge shall be direct-billed monthly for the insurance cost of its lay staff participants. The Conference shall pay the portion of the insurance cost for single coverage under HealthFlex for lay staff as specified by Personnel Policies for lay staff.

5.4.2.1.4. If active participants wish to buy-up to a more expensive dental plan, the additional monthly costs shall be direct-billed to their charge to be paid either by the participant or the charge. There is no financial impact on the Conference for incremental dental buy-up costs.

5.4.2.1.5. Active clergy serving full time who are Medicare eligible and who qualify under the Multiple Small Employer Exception (serving a church with 19 or less employees) will participate in OneExchange. It is recommended that the employing church reimburse the clergy for medical, dental, Medicare and pharmacy premiums as applicable. Such reimbursement is considered taxable income.

5.4.2.1.6. The spouse’s eligibility is determined by the retired participant’s eligibility. However, a non-HealthFlex participant spouse of a retired eligible participant may take advantage of the OneExchange program but will not receive a stipend payment to a Health Reimbursement Account.

5.4.2.2. **Clergy on Medical Leave**

5.4.2.2.1. Health insurance for clergy on Medical Leave and receiving disability benefits from the General Board of Pension and Health Benefits shall be provided through HealthFlex and paid 100% by the Conference. Spousal and dependent coverage shall be made available but not subsidized in any manner by the Conference. Clergy on disability or Medical Leave will be required to participate in the OneExchange program upon Medicare eligibility, and will receive an HRA as specified in Section II.C. Retired clergy on disability who are not Medicare eligible due to Social Security opt-out will be required to move off of the HealthFlex plan effective January 1, 2014, in anticipation of Exchanges being available through the national health care program.

5.4.2.3. **Retired Participants**

5.4.2.3.1. Each eligible retired participant and eligible spouse shall work with a Licensed Benefit Advisor at OneExchange to identify the appropriate coverage and cost-effective plan most suitable to the individual needs and requirements of the participant. Each eligible participant shall be provided a monthly stipend established as a fixed dollar amount which shall be deposited in a personal Health Reimbursement Account (HRA) to be used by the participant to pay for health insurance premiums and other qualifying medical expenses. Any HRA money unused in one calendar year will be rolled over for use in subsequent years—consistent with then-existing tax laws.

The stipend amount will be reviewed at least every two years. The review will take into account the two categories of HRA contribution levels.

1. Retired eligible participants with 20 or more years of Pre-82 service
2. Retired eligible participants with less than 20 years of Pre-82 service

5.4.2.3.2. Retirees, spouses and surviving spouses eligible to receive pensions but not yet eligible for Medicare who choose to remain in HealthFlex shall receive a subsidy from the Conference up to 20% of the applicable active rate. These retirees may also choose to enroll in another qualified group plan or in a private plan, but this coverage will not be subsidized by the Conference. If they choose to enroll in a private plan, it may have a negative impact on their ability to obtain coverage for pre-existing conditions when they move to the OneExchange plan.
5.4.3. The Conference benefits staff, working with HealthFlex, will process active participant enrollments, collect premiums, reconcile funds and help coordinate plan activities. Retired participants will work directly with OneExchange advisors on an annual and as needed basis.

5.4.3.2. The monthly payment of the health premiums specified in Section II. A. is mandatory for all full-time clergy appointed to serve a local church in the Rocky Mountain Conference. If a church is delinquent in health premium payments, the Conference Treasurer’s office will initiate action and notify the respective District Superintendent and Bishop of the delinquency. The Conference Cabinet will be kept apprised of all communication regarding the delinquency. The affected charge will continue to be direct-billed for the monthly premiums throughout this entire period.

5.4.3.3. The 2015 active insurance rates will be established by the Conference Board of Pension and Health Benefits after premium rate information is received from HealthFlex.

Termination Date: December 31, 2015

6. PROPERTY MATTERS

It is the policy of the Board of Trustees of this Conference, upon request, to provide a loan guarantee on behalf of Conference entities as they strive to further the mission and ministry of the Rocky Mountain Conference of The United Methodist Church. Continuous changes in our conference ministry needs preclude a final and complete procedure for such loan guarantees, but certain guidelines have been established by the Trustees of the Conference.

6.1.1. Loan guarantees are provided only for loans that are taken out in accordance with all provisions of The Book of Discipline. This includes proper sequence of contacts with the District Superintendent and the District Committee on Building and Location.

6.1.2. At no time can the value of all loans guaranteed by the Conference Board of Trustees exceed three-fourths of the net worth of the Annual Conference as reported in the annual Treasurer’s Report and published in the Journal.

6.1.3. The criteria for evaluation of all loan guarantee requests shall be set, and reviewed periodically, by the Conference Board of Trustees. Review of loan information may be necessary, and support from outside institutions (such as the Foundation of the Rocky Mountain Conference) in evaluating loan requests may be utilized.

6.1.4. Terms of loans cannot exceed fifteen (15) years.

6.1.5. When considering a loan guarantee request by a church or other Conference entity, the Board of Trustees will give priority in the following order: new church or worship facility, new church ground, church relocation, church or facility addition or other capital expenditures.

6.1.6. Further indebtedness by the indebted church will not be allowed unless approved by the Conference Board of Trustees.

6.1.7. Loan Guarantee Application Process

6.1.7.1. Sources of funds to be considered should be: The United Methodist Development Fund (UMDF), The Rocky Mountain Conference Foundation, local bank(s) and other local churches.

6.1.7.2. If the lending institution requests a Conference guarantee (or if such a request is anticipated), contact should be made promptly with the Chair of the Board of Trustees, the appropriate District Superintendent and the Director of New Ministries.

6.1.7.3. The Director of New Ministries and/or the District Superintendent will bring a recommendation to a meeting of the Board of Trustees where a quorum is present and voting.

6.1.7.4. The overall ministry health of the requesting church will be reviewed by looking into the recent history of apportionment support and the tenure of the clergy leadership at that specific church.

6.1.7.5. Paragraph 2544.12 of the 2012 Book of Discipline requires certification by an Applicant that it will have on hand (or
committed to it) sufficient funds to ensure payment of all project costs at the time of completion. Project costs include, but are not limited to: architectural, construction, legal costs, costs of furnishings, required bonds and permits, utility connection fees and other related costs.

6.1.7.6. Escrow funds will be deposited with the Conference Treasurer. For new ministries, a total of three months escrowed funds may be required. For established, chartered churches, a total of six months escrowed funds may be required.

6.1.7.7. The Applicant shall supply annually, or upon written request, to the Conference Treasurer, financial records of the church acceptable to the Conference Treasurer, for the purposes of evaluating the financial status of the Applicant during the term of the guarantee.

6.1.7.8. When the balance of the loan is not in excess of a level that Applicant's lender considers a safe borrowing level for the Applicant and not requiring a guarantee, the Applicant agrees to cooperate with the Conference should the Conference request a release from its guarantee.

6.1.8. Legal Requirements

6.1.8.1. In making an application to the Trustees for a loan guarantee on behalf of the Rocky Mountain Conference of The United Methodist Church ("the Conference"), the following legal requirements shall be met by the applicant:

6.1.8.2. Copies of the Loan Application, Loan Agreement, Note, Deed of Trust, proposed Loan Guarantee, and any other loan documents required of the Applicant by the lending institution for the proposed loan, shall be delivered to the Conference Chancellor for review.

6.1.8.3. A copy of the mortgagee's title insurance commitment proposing to insure the lender to the Applicant has applied, must be submitted to the Conference Chancellor for review.

6.1.8.4. The title to the property must be vested in the Applicant in accordance with the laws of the State where the Applicant is situated.

6.1.8.5. The Deed under which title is held must contain the Trust Clause as set forth in The Book of Discipline of The United Methodist Church.

An original hazard insurance policy is required, with an extended coverage endorsement naming the Conference as an additional insured and in an amount equal to the full insurable replacement value of the improvements on the premises.

6.2. Policy for Annual Conference Response to Landmark Designation of Property Held in Trust for The United Methodist Church (2009 AC11)

This policy is established pursuant to the direction and authority of ¶2512.7 of the 2012 Book of Discipline of The United Methodist Church. It shall apply to property held in trust for the benefit of The United Methodist Church by the Rocky Mountain Conference Board of Trustees, and by all boards of trustees or their equivalent of all local churches and church-related agencies in the Rocky Mountain Annual Conference. This policy shall be ongoing and remain in effect until rescinded or changed by a subsequent session of the annual conference, or its successor in interest.

6.2.1. Landmark designation of church-owned property by or through a public or governmental body, or other non-profit organization, whether for cultural, historical, architectural or other similar purposes, substantially restrains the use, transformation and transferability of the property in question.

6.2.2. Whether voluntary or involuntary on the part of the property owner, landmarking results in a transfer or sale of property under The Book of Discipline.

6.2.3. The Conference Board of Trustees is the designated successor in interest to church-owned property held in trust for The United Methodist Church; and is the designated agency to intervene and take all necessary legal steps to safeguard and protect the interests and rights of the Annual Conference anywhere and in all matters relating to property and rights of property of any of its local churches and church-related agencies. (2012 Book of Discipline ¶¶ 2501, 2512.4, 2549)

6.2.4. At the earliest opportunity following notification or receipt of information that voluntary or involuntary landmarking efforts by a public or governmental body will or may affect its property, the local church or church-related agency shall notify, or cause to be notified, the district superintendent in whose district the property is located of the landmarking effort. The district superintendent shall in turn notify, or cause to be notified, the resident bishop, the appointive cabinet and the chairperson of the Conference Board of Trustees. The local church or church-related agency shall endeavor to provide such additional information regarding the landmarking effort as may be requested by the district superintendent or other Conference representatives.

6.2.5. If the local church or church-related agency desires to voluntarily cooperate with the public or governmental body in

6.3.1. "Property available to the Conference" includes all real, personal tangible and intangible property of a local church following its discontinuance by the annual conference without direction concerning disposition, or its abandonment, but does not include (1) items deposited or set aside for safekeeping as provided in ¶2549.4 of the 2012 Book Of Discipline; or (2) property for which the annual conference provides dispositional direction in its declaration of discontinuance.

6.3.5. The standing committee’s recommendations for the use or disposition of Property or funds subject to this policy shall be submitted to the Conference Board of Trustees for approval. The standing committee may recommend the retention and use of real property, instead of its sale or other transfer. The Conference Board of Trustees may grant, withhold or otherwise condition its approval as it deems advisable, and shall determine and administer the method by which funds are disbursed and real property is managed or transferred pursuant to this policy.

6.3.6. The Conference Board of Trustees shall retain control or ownership of, and otherwise manage, all property and funds subject to this policy pending its action on the standing committee’s recommendations. At all times, and regardless or in the absence of the standing committee’s recommendation, the Conference Board of Trustees may take any action it deems necessary with respect to any such property, including the sale of real property and the use of funds subject to this policy. The Conference Board of Trustees shall deposit the proceeds of sale of local church property in segregated Trustee fund accounts for “urban transitional communities” and for such other accounts as the standing committee may recommend or the Board may deem advisable. “Proceeds of sale” shall be net of all actual costs to the Conference, including maintenance/repair, holding and sale costs.
